## **TC wins grant to make our own short film about TC**

We were really pleased to recently hear that we were successful in our application to "Genes for Jeans" for a small grant to make a film about Treacher Collins syndrome. The film will be made by Luke Moore (who has TC) he will travel to meet some of our members and interview them about their experiences of TC. We want to show all age ranges and highlight some of the achievements people have made, so if you are interested in being involved please get in touch either with Luke on [lukee@hotmail.com](mailto:lukee@hotmail.com) or Sue on 01603 433736 [sue@treachercollins.net](mailto:sue@treachercollins.net) The DVD will be given to new families with Treacher Collins Syndrome.

We also need to two case studies for "Genes for Jeans" two families with children with TC under 18years of age who are willing to talk and have a photographs taken for publicity, if you would be willing to help please contact sue for more information.

You can contact us at TCFSG 114 Vincent Road Norwich, 01603 443736
